Dear Parents and Guardians,

The Christ Church will be removing the "5 Minute Drop-Off Parking" sign that currently marks the one parking space for parents off of the alley beside the church. With two-way traffic in the alley and the lack of designated parking spaces the Center does not feel it is a safe space to park, unload children, or back out of.

Please continue to use First Street in front of the church for drop-offs, following Corning City's traffic laws for alternate parking and traffic flow.

Thank you,

Sandy Nevius, Health Manager

Important Message from CPSC:

CPSC would like to remind parents not to use any crib with missing, broken, or loose parts. Make sure to tighten hardware from time to time to keep the crib sturdy. When using a drop-side crib, parents should check to make sure the drop-side or any other moving part operates smoothly. Always check all sides and corners of the crib for disengagement. Any disengagement can create a gap and entrap a child. In addition, do not try to repair any side of the crib, especially with tape, wire or rope.
